

## **eHealth 360° Summit– save the date**

The European Alliance for Innovation ([EAI](#)) is currently organizing International Summit focused on **eHealth ([eHealth360°](#))** which will be held from the **14<sup>th</sup> June until 16<sup>th</sup> June 2016 in Budapest, Hungary.**

eHealth 360° Summit is a unique event bringing a 360 degree perspective on mobile and electronic health. The Summit will gather experiences and innovative ideas from related projects and activities in this topic with the aim to coach involved people on the whole path between research to innovation and all the way through to commercialization of ideas, projects and technologies.

The Summit is a powerful and inspirational event that brings together industry representatives, researchers, vendors, mHealth and eHealth domain experts, clinicians, developers and others to plan, learn, network, collaborate, strategize and more effectively tap into the immense potential of the eHealth and mHealth domains.

eHealth 360° will be opened with 6 scientific conferences covering different areas such as eHealth and big data, wearables in healthcare, eHealth and interoperability and others. eHealth 360° also offers an extensive program that includes “eHealth360 Summer School”.

More than 100 attendees, exhibitors and experts from all around the world, such as [Pēteris Zilgalvis](#), Head of Unit for eHealth and Well Being, DG CONNECT, European Commission, [Jonathan Steel](#), Founder and CEO of Deliver Change Ltd, [Pal Miletics](#), President of the Hungarian Association for Telemedicine have already accepted the invitation. eHealth 360° is organized in cooperation of partners as CREATE-NET, Innoskart, ISfTeH and others.

---

The European Alliance for Innovation ([EAI](#)), was created by leaders from industry, research, and policy making organizations, including some of the largest companies in the world, government organizations, educational institutions, supported by its Strategic Forum and Boards of world leaders, engaging the global community with the shared goal of securing Europe’s future competitiveness through innovation. With over 250 institutional members reaching out to millions of their constituents, EAI brings together the European community to promote innovation culture in Europe, to recognize excellence and to support community innovation activities. Furthermore EAI, as partner of the European project [FI-Adopt](#), will showcase funding opportunities for SMEs, start-ups and web entrepreneurs.
